Our approach & our values

What sets us apart is the way we invest in our relationships. We develop a deep understanding of your business and personal circumstances. This allows us to advise you more effectively.

Our advice is incisive, pragmatic and direct, and all that we do is underpinned by our values:

Delivery –when we promise to get Something done, it gets done.

Respect – we support and respect each other and help each other to achieve our full potential.

Integrity –our ethos is based on being open and straightforward. We only give advice we believe in.

Vision – we seek insight and understanding of our clients' businesses and use our expertise to find innovative solutions for them.

Empathy–we know our clients and relate to their unique personal circumstances

“Moving to AAA has meant we now work with genuinely dedicated experts – the business consulting team at AAA save us a fortune.”

Our services

Whether you're a mid-sized privately-owned business, part of a multinational looking for specialist advice, or a business start-up, we offer a complete service with a proven track record.

Accounting

Our comprehensive range of accounting services will help you comply with all the relevant reporting regulations. As well as full statutory year-end financial statements, we can provide monthly or quarterly management accounts and assistance with the preparation of budgets and projections.

Audit & Assurance

Our audit specialists can provide an efficient and independent report to your shareholders about the company's profitability and state of affairs. A good audit should also provide insight into areas to focus on for enhancing the performance of your business.

Registered Auditors in Dubai land, RERA, MOLLAK and Ajman land.

We are authorized and approved auditor of RERA and ARRA for developers, Owners association and Trust accounts.

- ✓ Account Trustee & Developers Book Audit as per RERA & ARRA Scope and requirements
- ✓ Owners Association Yearly Audit
- ✓ Mollak Services
 - Unit Registration Assistance
 - Unit Balance Verification
 - Assistance with the process of Budget and Payments
 - Budget Reviews

VAT

The introduction of VAT in UAE is one of the major concerns in the industry. Our experienced tax team in Ahmad Alagbari helps clients to understand and meet their compliance obligations, and manage tax accounting and reporting issues. Further, we offer VAT customized software available for small and medium sized entities.

Corporate tax

The introduction of corporate tax in the UAE will likely transform the country's regulatory landscape, which means companies must be fully prepared to comply with the new form of taxation. We have a team of highly qualified Chartered Accountants and tax agents in the UAE who can help the companies to ensure tax compliance. We help companies to prepare for corporate tax by offering tax assessment and tax advisory services. Offers the following corporate tax services in Dubai, UAE:

- ✓ Assessment of the eligibility of zero rate CT rate and exemptions
- ✓ Tax grouping for tax benefits
- ✓ Restructuring of group companies including foreign subsidiaries /branches
- ✓ CT return filling and assistance in preparing CT returns with adjustments like foreign tax credits, withholding tax, allowable deductions

Our experienced team helps you with.

An Introduction to AAA Chartered Accountants

Business Consulting

Our Business Consulting Services Division provides a wide range of services covering:

- ✓ Business Risk Services
- ✓ Transaction Advisory Services
- ✓ Forensic & Investigation Services
- ✓ Business Diagnostic & Restructuring
- ✓ Market Research & Analysis
- ✓ Fixed Assets Management Services
- ✓ Investment Counselling and Project Finance

Corporate finance

We provide a comprehensive range of dedicated corporate finance services. We are a relatively small integrated team providing you with director level advice and support. Working closely with other relevant teams including corporate tax, accountancy, private client and business advisory specialists, we ensure that at all times the advice we give encompasses all your needs.

Incorporation & Liquidation services

- ✓ UAE Free zones
- ✓ Dubai Economic Department
- ✓ Offshore Companies

Outsourcing & payroll

If you are considering outsourcing your financial administration, we are well placed to assess your needs and provide the solution. We deliver consistent service quality that meets your evolving needs. Whatever the size of your organisation, our computerised and fully automated payroll service can free you from the burden of running payroll.

Actuarial Valuation

The purpose of an actuarial valuation is to calculate the 'present value' of payments that would be made to employees in future as part of an employee benefit plan. Actuaries start by making assumptions about future salary increment rates, attrition and mortality rates. The assumptions are then used to project the benefit payments that will be made from the employer to its employees, as per the rules of the plan.

Actuarial Consultant offers actuarial services relating to design and valuations of retirement benefit schemes as well as in service benefits such as:

- ✓ Gratuity schemes
- ✓ Pension Schemes
- ✓ Provident Funds
- ✓ Compensated Absences
- ✓ Post-Retirement Medical Benefit Schemes
- ✓ Group Life & Disability
- ✓ Group Medical

Family Office Services

A family office are essentially **private companies**, which have been set up to look after the finances of wealthier families and individuals. A family office is therefore a private wealth management advisory firm dealing with high net-worth individuals and families. The core activity of a family office is the centralization of activities undertaken by a trusted manager/trustee or professional licensed firm for one or multi wealthy families.

Services provided by our Firm for Multi Family Clients.

- ✓ Protecting family wealth
- ✓ Managing Investment Risk
- ✓ Improving family cohesion and transgenerational smooth transfer of assets
- ✓ Clarifying family governance
- ✓ Concierge Services for personal family affairs such as children education, adequate insurance coverage and managing accounting and bookkeeping, tax planning, residency requirements and ensuring due diligence of bank accounts
- ✓ Arranging financing on high value Assets in UAE, UK and Canada
- ✓ Private Equity as an Alternative Source of Investments
- ✓ Company Incorporation and wealth structures, and
- ✓ Keeping a clear demarcation of personal assets to business assets
- ✓ Managing Real Estate Assets

Legal & Compliance

Economic Substance Regulations (ESR) Advisory

The Economic Substance Requirement, or ESR, regulation requires Mainland and Free Zone companies in the UAE (unless so exempted) conducting 'Relevant Activity' to submit an ESR Notification and ESR Report on the Ministry of Finance portal before the applicable deadlines.

The ESR requires companies to correctly assess their business activities beyond the activities listed in the business license to determine whether they are conducting any 'Relevant Activity' and subsequently demonstrate 'economic substance' in the UAE – i.e for carrying out that Relevant Activity in the UAE. The testing parameters for ESR compliance are:

- ✓ Adequate operating expenditure
- ✓ Adequate physical infrastructure or assets
- ✓ Directed and managed in the UAE

Our experienced team helps you in ESR compliance with:

- ✓ Assessing Relevant Activities
- ✓ Advice on demonstrating adequate Economic Substance (ESR) test
- ✓ Preparation of ESR Notification and ESR Report
- ✓ Submissions on the Ministry of Finance portal

Ultimate Beneficial Owner ("UBO") Advisory

Beneficiary Owner Procedures requires all business entities (unless exempt by the regulation) to prepare, maintain, and submit a Beneficial Owner Register with its respective licensing authorities.

The UBO details have become critical after the implementation of the Economic Substance Regulation in the UAE, as the ESR Report requires details of the Ultimate Parent Company and Ultimate Beneficial Owner and as a primary requirement of Anti-Money Laundering Regulation in the UAE, Cabinet Decision No. 58 of 2020.

Our experienced team successfully help clients with:

- ✓ Identification of Beneficial Owners
- ✓ Preparation of all relevant and required documents such as UBO Register, UBO Declaration Form and Partners Register
- ✓ Compiling supporting documents required for the submission of UBO
- ✓ Submission of UBO documents to the DED and in the portal

Anti-Money Laundering (AML) and Counter Financing of Terrorism (CFT) Advisory

In December 2020, the UAE Cabinet adopted the formation of the Executive Office of the Anti-Money Laundering and Countering the Financing of Terrorism with an aim to follow the international requirements in this sector. All the requirements of the Financial Action Task Force (FATF) recommendations of 2012 and its methodology of 2013 are included in the AML Law.

The minimum statutory obligations of supervised institutions are.

- ✓ Recognize, evaluate & understand risks
- ✓ Carry out due diligence
- ✓ Appoint a compliance officer
- ✓ Ensure that the required management and information systems, internal controls, policies and procedures to mitigate risks are in place
- ✓ Ensure that the indicators to recognize suspicious transactions are in place
- ✓ To maintain adequate records

Our experienced team helps you in AML compliance with:

- ✓ Go AML Registration
- ✓ AML Health Check
- ✓ AML Business Risk Assessments
- ✓ Develop AML Policy & Procedures
- ✓ Customer Due Diligence and Ongoing Monitoring.
- ✓ AML training

Information Technology

Software solutions

We provide specialist IT advice and support at all key stages of the business cycle, from the initial requirement to development and implementation of complex ERP Systems. Our core expertise is to develop customize IT solutions for Manufacturing and Banking Industry.

- ✓ Logistics Management
- ✓ Jewellery Management
- ✓ Real Estate Management
- ✓ Banking sector Products includes
 - MIS Reporting System
 - Investment Management
 - Special Assets Management
 - SBP Reporting Chart of
 - Accounts

Information Technology Audit

IT audit is the examination of an organization's IT structure, operations and software programs. IT audit ensures that the existing IT controls safeguard corporate assets and cross-checks whether the IT controls are in line with the overall business goals of the company. The proper functioning of information related controls and processes are ensured with the help of IT audit.

- ✓ Evaluate the systems and processes in place that secure company data
- ✓ Determine risks to a company's information assets, and help identify methods to minimize those risks.
- ✓ Ensure information management processes are in compliance with IT-specific laws, policies and standards.
- ✓ Determine inefficiencies in IT systems and associated management

flexible audit service

Specialists for privately owned Business

“We find AAA to be reliable. They know a lot about our business, they don’t play with technical jargons, we like them, and they deliver.”

We invest in understanding our clients and their businesses to ensure we deliver effective advice.

Based in Dubai, we have strength and depth in the major disciplines, and some of the more specialist ones too – from business start-up through to preparation for sale and post-sale wealth management.

But what makes us stand out is our business understanding, our commercial insight and our ability to get the job done in good time.

Privately owned business credentials

We are probably best known for our rounded approach to advice. We seek to understand your personal ambitions, your business, and the environment in which you compete. We believe this integrated approach provides our clients with a better service.

Corporate business team

Our corporate tax and audit teams attract mid-sized and large corporate that demand first-rate technical expertise, the highest standard of client care and value for money.

performance[®]

For us, business revolves around relationships as much as numbers and service delivery.

Registered Liquidator

“We are approved for conducting liquidations of regulated and non-regulated entities registered in DIFC and DED”

<https://www.difc.ae/operating/registrar-companies/official-liquidators>

TAX Consultancy

Our taxation experts have both international and local experience and knowledge to provide viable commercial tax strategies tailored to address clients' specific needs. We bring significant value to our clients by customizing tax strategies to fit different industry, legal and financial frameworks and help to minimize direct and indirect tax.

Our range of services includes

- Value Added Tax (VAT)
- Excise Tax
- Corporate Taxation
- Tax Agency Services

Our tax and advisory experts provide practical advice, translating technical tax issues into workable solutions. We can assist you in taxation matters to make correct and informed decisions.

Corporate Tax Consultancy

- Corporate Tax Impact Assessment
- Corporate Tax Registration
- Optimize Your Corporate Tax Strategy
- Compliance Consulting
- Free Zone-Related Advisory
- Streamlined Tax Compliance: Computation & Filing Services
